HEDGES' MALT EXTRACT

Is a Soluble Food requiring no digestion, extremely rich in Bone and Muscle Forming Constituents, therefore valuable for Consumptives, also weakly Women and Children. Added to milk it has been proved by our leading medical authorities an invaluable Infants' Food.

HEDGES' MALT EXTRACT taken with food is one of the best known digestive agents, relieving Flatulence, Indigestion, &c., &c., in a marvellously short time.

HEDGES' MALT EXTRACT is made entirely from the **finest barley malt**, and is offered at a price that is much cheaper than the best known brands.

HEDGES' MALT EXTRACT never makes the patient sick—because it is pure—and children take it readily; like jam spread on bread, biscuits, &c., or taken with rice pudding, &c.

HEDGES' MALT EXTRACT—made more liquid by a little warm, **not** hot water, and added to ærated waters, produces a nourishing and restorative beverage for feeble and exhausted constitutions, and at the same time a drink without alcohol.

1/6 Bottle for 1/- 2/6 Bottle for 1/9.

HEDGES' SPECIFIC

FOR

Neuralgia, Tic-Doloreux, and Toothache, is the most speedy, safe, and certain cure ever yet introduced to the Public, one or two doses being sufficient to remove the most excruciating pain.

This Preparation is unlike the remedies usually sold for Toothache ; it is a mixture to be taken, consequently there is not the least fear of it ever destroying or injuring the Teeth like ordinary applications ; it has an extraordinary effect upon the system, and may be taken by either sex without injuring the body in the slightest degree, and is a never failing remedy for the above named complaints.

IN BOTTLES, 1/1½ for 10d. 2/9 for 2/2

DUVAL'S PARISIAN HAIR RESTORER

RESTORES GREY HAIR TO ITS ORIGINAL COLOUR.
PRESERVES THE HAIR AND CURES DISEASES OF THE
SCALP, AND IS A SUPERIOR DRESSING.

THE excellence of this elegant article for the Toilet, and its efficacy in the treatment of diseases of the Hair and Scalp, are well known, while it has become universally a favourite with people of rank and fashion, and wherever introduced has superseded other preparations for the hair.

It is at once agreeable, effective, and entirely harmless.

IT IS NOT A DYE,

but daily applications for a week or two, so stimulate the roots and colour glands that faded or grey, light and red hair, gradually change to a rich brown colour, or even black as may be desired, after which the shade is maintained by occasional use.

Falling of the hair results from a diseased condition of the scalp, or the roots of the hair, and will be arrested by a few applications, by which the hair is invigorated and strengthened and the scalp restored to a healthy condition. By its use, also, thin hair is thickened, and baldness often, though not always, cured. When the roots are only torpid, the Restorer by exciting them to activity, will produce a new growth on bald heads, even of persons advanced in years; but if the roots are decayed, nothing can reproduce them.

As a dressing for ladies' hair there is nothing more beautiful and agreeable than the Restorer. To thin, weak, or otherwise diseased hair, it restores vitality, and imparts the brilliancy and freshness of youth; while its immediate softening and beautifying effects are very lasting, making it the most economical as well as the best dressing in the world.

Sold in Bottles 1/- for 9d. and 2/6 for 1/9 each.

JENNER'S TASTELESS BILIOUS AND LIVER GLOBULES,

OR COMPOUND PODOPHYLLIN & TARAXACUM PREPARATION,

The Universal Remedy for Bilious and Liver Complaints, Indigestion, Costiveness, Loss of Appetite, Gout, Inflammation, Rheumatism, Lumbago, Jaundice, Bitterness in the Mouth, Pains in the Side, &c.

They are perfectly soluble, and are prepared from the receipt of a most eminent Physician. This Preparation, since its introduction to the Public, has met with immense success.

A disordered state of the Liver is generally admitted to be the predisposing cause of a great number of diseases. The Liver is the largest gland in the human body. Its office in the economy is to remove superfluous carbon from the system, a function that requires to be well performed to obtain general health. It secretes bile, commonly speaking, but properly it excretes from the blood those constituent particles which are of no further use to nature, and hence obnoxious properties. The Liver holds a most important relation to the digestive organs, and there is scarcely a malady that affects the organism but what the Liver participates largely in the difficulty. Owing to its large size and the important functions it performs it is extremely liable to disease, and when disordered exerts a marked influence on the organs and tissues of the body.

THE SYMPTOMS OF A DISORDERED LIVER

Are Nervousness, Sinking Sensation in the Stomach, Irregular Appetite and Fulness after Meals, Headache, Pain across the Forehead and Shoulders, Sickness in the Morning, Costiveness, Wind, Dizziness, Dimness of Sight, Nervous Debility, Piles, and Eruptions of the Skin, &c.

WEAKNESS, LASSITUDE, DEBILITY.—Five to eight drops in a table-spoonful of water three times a day, an hour before meals.

SPECIAL CAUTION.

THE value of this well-known and universally used Family Medicine has been tested in all parts of the world, and by all grades of Society for upwards of fifty years. Its large and constantly increasing sale has induced **SPURIOUS IMITATIONS**, in some of which the **Outside Label** and the **Coloured Paper** enclosing the Packet, so closely resemble the **Original** as to have deceived many purchasers.

Numerous complaints of this kind having been received, the proprietor feels it due to the thousands of Families in which **Steedman's Soothing Powders** are daily used to **Caution Purchasers** against the Imitations, and requests their careful attention to the **four following distinctive marks** of the Genuine Medicine.

1st.—That the words "**JOHN STEEDMAN, Chemist, Walworth, Surrey**," are **engraved** on the Government Stamp affixed to each Packet.

2nd.—Each **Single Powder** has the directions for the Dose, and the words "**JOHN STEEDMAN, Chemist, Walworth, Surrey**," printed thereon.

BROMO-PHOSPH, OR BRAIN FOOD,

GIVES TONE AND VIGOR,
STRENGTHENS THE SYSTEM,
IMPROVES THE APPETITE,
GIVES NEW HEART,
REVIVES THE SPIRITS,
STEADIES THE NERVES.

It is prescribed by the most eminent Physicians, and held in the highest esteem by Clergymen, Merchants, and Literary Men in every part of the Kingdom.

The action of this valuable Medicine is as follows :—

After it is received into the stomach, it is immediately absorbed into the system, and RESTORES NERVOUS POWER throughout the whole body, which is quickly apparent by the energy communicated to the mind and digestive organs, by which the healthy qualities of the chyle are restored, and the chill watery blood becomes rich and balsamic. By augmenting nervous power, the muscular action of the heart is strengthened, whereby the blood is impelled more freely through the capillary vessels, and the obstructions within them are removed. The cold tremulous nerves are strengthened, the relaxed muscles are invigorated, and the whole constitution is renovated. These effects are manifested by the relief given to the spirits ; and the timidity, the gloomy and melancholy apprehensions, and that constant dread of death, &c., which harass and oppress the weak and delicate, leave the mind as health returns.

IMPORTANT.—On receipt of one stamp, with full address of sender, the Proprietors will forward, post paid, their large illustrated catalogue, containing full particulars of the far-famed products of the Ruddolph Laboratory.

Key to Testimonials.

AS A GENERAL
RESTORATIVE.

The Rev. WILLIAM CUFF, of Shoreditch, Tabernacle, London, writing from Amesbury House, Stoke Newington, under date of March 16th, 1889, says :—

To the BROMO-PHOSPH Co.

GENTLEMEN.—I don't know that it concerns anybody to know what I think of "BROMO-PHOSPH," but it may cheer you and help others if I state that it has done my dear wife and daughter a great deal of good. My daughter was in a low nervous condition, and it picked her up wonderfully ; it seems to have power to invigorate the whole system.

Mrs. CUFF says it refreshes body and brain better than any stimulant she has ever tried.

You may do what you please with this, as I only wish to do good. In the hope that some, at least, will believe my testimony and take Bromo-Phosph instead of alcoholic stimulants.

I am, faithfully yours, W. CUFF.

SLEEPLESSNESS.

OR INSOMNIA,

The Managing Director of one of the leading Sheffield Firms, writes as follows :—

To the Manager, BROMO-PHOSPH Co.

SHEFFIELD, January 3rd, 1887.

DEAR SIR.—Some two months ago, a friend of mine persuaded me to try a bottle of "BROMO-PHOSPH." I was then suffering, and had been for some length of time, from sleeplessness, for as soon as my head went upon the pillow at night, the power of sleep left me for hours, and I rose in the morning unrefreshed and nervous. The first day I took one tea-spoonful at 2 p.m., one at 7, and another at bed-time, and since then I have never lost an hour's sleep. I continue taking it with the result that I am stronger and better fitted for all my duties, and am steadily gaining weight.

I send you this information, so that others who may be suffering in a similar way may be induced to try what has proved such a blessing to me. I have myself recommended it to others, and it has never failed to give satisfaction. I am, dear Sir, yours faithfully,—

P.S.—My position is such that I should prefer you not to publish my name, but you are at perfect liberty to refer anyone to me, and I shall be happy to reply to any inquiry that may be made.

DR. J. COLLIS BROWNE'S CHLORODYNE.

Vice-Chancellor Sir W. Page Wood stated publicly in Court that Dr. J. Collis Browne was undoubtedly the inventor of Chlorodyne, that the whole story of the defendant Freeman was deliberately untrue, and he regretted to say it had been sworn to.—See *The Times*, July 13, 1864.

DR. J. COLLIS BROWNE'S CHLORODYNE.

The Right Hon. Earl Russell communicated to the College of Physicians and J. T. Davenport that he had received information to the effect that the only remedy of any service in Cholera was Chlorodyne.—See *Lancet*, Dec. 31, 1863.

DR. J. COLLIS BROWNE'S CHLORODYNE.

Extract from the *Medical Times*, Jan. 12, 1866 :—"Is prescribed by scores of orthodox practitioners. Of course it would not be thus singularly popular did it not supply a want and fill a place.

President of the Public Health Medical Society ; Vice-President of the Institute of
Chemistry of Great Britain ; and Chief Medical Officer of Health of Dublin, says :—*

"I have carefully examined a specimen of "Pearson's Liebig's Beef Wine," purchased by myself at a retail shop in Dublin. The compound consists of Port Wine, Malt Extract and Beef Juice. The study of its composition leads me to believe that the expressed juice of 5 lbs. of Beef is really contained in a quart of this Beef Wine. The ash is rich in soluble phosphates. It is unlike most preparations of the kind, rich in soluble albumen, and, in short, all its ingredients are in the most effective state for digestion and assimilation. Altogether it is a very valuable food and I can strongly recommend it."

H. J. HARDWICKE, M.D., F.R.C.S.,

*Physician to Sheffield Public Hospital for Skin Diseases and Scrofula, and to Sheffield
Ear and Throat Hospital, says :—*

"I have pleasure in stating that it is a genuine preparation, containing in absolute solution the Essence of 5-lbs. of Beef to each quart. As a tonic, in all cases of debility and wasting illness, it is invaluable. I shall recommend it largely to my patients."

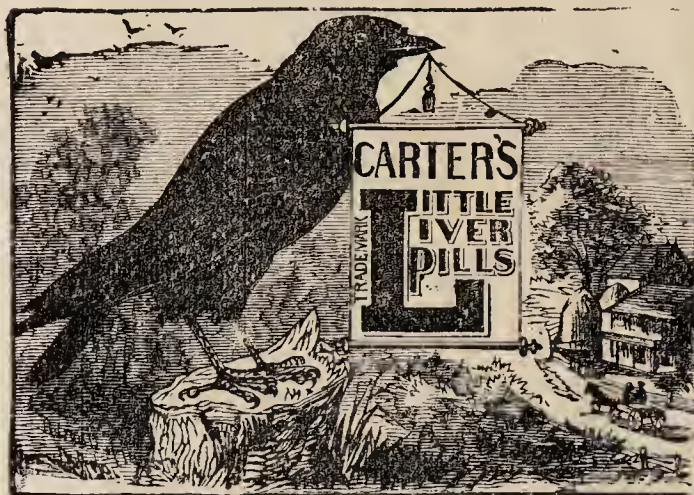

Chief ingredients of PEARSON'S "LIEBIG'S BEEF WINE," are Essence of Beef, choice Port Wine, Extract of Malt, and Quinine.

Sold in Bottles at 2/9 and 4/6 each, by Chemists, Grocers, and Wine Dealers.

PAGE WOODCOCK'S WIND PILLS

IMPORTANT TESTIMONY FROM A WESLEYAN MINISTER.

Dear Sir,

March 20th, 1889

Several years ago I suffered acutely from Indigestion, and some of its attendant evils. I tried well-known remedies with little benefit. At last, I was induced to give your WIND PILLS a trial; and am bound in all fairness to admit that the relief was so instant and grateful, that ever since, I have kept in my possession some of your Pills, which, I consider, are a valuable antidote for this distressing malady. You are quite at liberty to use my testimony, but please do not advertise my name.

Yours most truly, ———, Wesleyan Minister.

N.B.—To any inquirer sending their Name and Address on the back of a Post Card, I will send the full Name and Address of the Wesleyan Minister above referred to, who will gladly confirm the foregoing statement.

DR. LANE'S CATARRH ÷ CURE.

SWALLOWING POISON.

Mucus from the nostrils, or dropping upon the tonsils, a stopped-up feeling in the head, and dull pains in the forehead, with incessant blowing of the nose, hawking and spitting, and a bad breath; this is

CATARRH,

the forerunner of **Consumption**. No other such loathsome and treacherous malady curses mankind. While asleep the Catarrhal impurities are inhaled into the Lungs, and swallowed into the stomach to **poison** every part of the system.

Dr. LANE'S Catarrh Cure affords **immediate relief** and a **permanent Cure** of this dangerous and unpleasant disease, relieves headaches, and purifies the breath. It is sold by all Chemists and dealers.

A Treatise on Catarrh, its Treatment and Cure, sent free, post paid, to anybody on application; or a **Sample Bottle** of the Remedy sent **carriage paid** to any address on receipt of **One Shilling**.

Address, F. W. HALE, 61, Chandos St., Covent Garden, London.

If Catarrh is neglected, the constant discharge of this purulent matter into the throat causes ulceration the whole length of the nasal passage, and even hangs in festoons from the posterior nares, and ulcers or scabs form in the nostrils. Let me here add, that when the throat is affected as above described, **Dr. Lane's Catarrh Cure** should be thoroughly used as a gargle in addition to sniffing it up the nostrils twice a day. In many instances the ulcers penetrate the soft bones of the nose, when a thin, straw-coloured fetid discharge ensues, and the sense of smell is impaired or entirely destroyed. In aggravated cases of **Chronic Catarrh** the discharge is attended with such an intolerable fetor or stench that a large room will become tainted in a very short time.

In a state of health the mucous membrane is constantly moist. The essential part of these healthy functions consists in the exhalation of this moisture. From the effects of a cold these delicate linings become inflamed, and the ordinary secretions are changed; the membrane becomes dry, and the natural secretions are stopped; there is a fulness, not from natural cause, but from the fact that the mucous membrane is inflamed and swollen, filling the natural passages, and is more sensitive to external impressions. Now is the time to check this foul and loathsome disease, and **one bottle of Dr. Lane's Remedy**, which lasts four weeks with ordinary use, will in many cases effect a cure, and will be sufficient to convince anyone of its rare merits. The use of two to four bottles has accomplished a permanent cure in the great majority of cases that I have met with in my practice. Inhaled through the nostrils it relieves headaches at once; used as a gargle it effects a speedy cure of ulcerated sore throat.

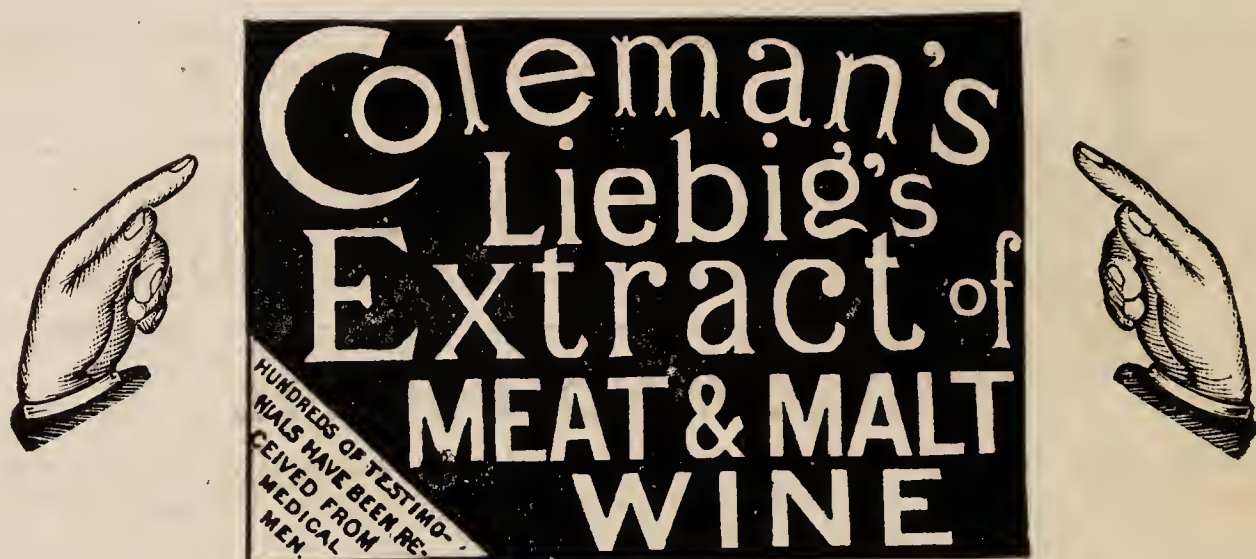

One great obstacle in the way of a permanent cure is, that, as soon as the discharge stops, the patient considers himself well, while the mucous membrane is yet so delicate that a bad cold brings it back; but, by continuing the use of **Dr. Lane's Catarrh Cure** until the membrane is toughened, the patient is even less liable to Catarrh than one who has never had it.

Dr. Lane's Catarrh Cure is the only known remedy that will certainly and effectually cure this troublesome and dangerous disease.

Full and explicit directions accompany each bottle. The price of **Dr. Lane's Catarrh Cure** is **4s.6d. per bottle; three bottles 11s.** To be had through the Chemists; or will be sent from my office, securely packed, to all parts of the Kingdom

GENTLEMEN,—I desire, in view of certain statements made by another Firm, to express to you how highly pleased I am with your preparation of Meat and Wine. I have over and over again witnessed its effects with my patients, for whom I always order it. In many cases it has acted like a charm, and in a way that ordinary Wine (I mean Wine without Meat) could not do. Not only so, but I use it myself, when I feel low or wearied by over work, and I never knew it fail.

THE NATURAL CARLSBAD SPRUDEL-SALT

contains all the essential ingredients of the "SPRUDEL," is Alkaline, and readily soluble in water. In small and frequent doses it is an efficient DIURETIC, but as an APERIENT it should be taken BEFORE BREAKFAST on an empty stomach, in doses of from 1 to 2 teaspoonfuls, dissolved in water. If followed by a cup of hot tea, coffee, or milk, its action will be increased. To improve the APERIENT action of the Carlsbad Mineral Waters, a teaspoonful of the Natural Salt, previously dissolved in water, should be added.

GOUT & RHEUMATIC PILLS,

A Certain Cure for Gout, Rheumatism, Sciatica, Lumbago, Cramp, and all Pains of the Limbs and Muscles.

Persons constitutionally predisposed to suffer from the above distressing complaints, are strongly recommended never to be without the above Pills, as by their timely use an approaching attack may always be averted, and the tendency of these complaints to attack the vital part is thereby effectually counteracted. The very extensive sale of these Pills, for the last twenty years, is a most convincing proof of their efficacy, as well as their superiority over most other preparations. Numbers of persons who have been subject to five or six attacks annually, have, by the use of these excellent Pills, reduced them to three, to two, to one, until eventually the complaint has been totally eradicated from the constitution.

IMPORTANT TESTIMONIALS

Have been received. The following have been selected from many others:—

From Mr. PERKS, 194, Cheapside, Birmingham.—I have taken your Gout and Rumatic Pills for eight years, and am never without them. Two or three Pills remove the pain. Before taking them I have been laid up eight and ten days at a time.

From Mr. ELLIS, Hill Top.—Your valuable Pills always relieve me. In not one instance have I known them to fail. They ought to be more generally known.

From Mr. G. SICETT, Unett Street, St. George's, Birmingham.—I have been a sufferer for eight or nine years, and have tried every medicine, but could find no relief until I tried your Pills. I can now walk with perfect ease.

Mr. ASHFORTH, back 24, Washington Street, Birmingham, writes:—One box of your Pills have quite cured me.

From Mrs. WOODCOCK, Small Heath, Birmingham.—At your request I give my testimonial to the efficacy of your GOUT AND RHEUMATIC PILLS. I have been a sufferer for years until I tried your valuable Pills. I am now quite free from rheumatics; if I feel the slightest pain, two of your Pills entirely remove it.

JOSEPH RIPP, Walsall Wood, near Lichfield, says:—I cannot help expressing my astonishment at the effects I have experienced in taking your GOUT AND RHEUMATIC PILLS. I have been a sufferer for nearly two years, and one box entirely cured me.

Mr. WARDELL, Hill Top, Staffordshire, states:—I feel it a duty I owe to myself and the public, to inform you of the great benefit which I have derived from taking your Pills. For years I have been afflicted, but am now able to attend to my work.

From Mr. HARPER, Ashted Row, Birmingham.—Having been a sufferer for some time, and not able to get a night's rest for weeks, I was induced to try your Pills, and after taking three Pills, I felt quite free from pain.
